AI Engineer Devloper Offer Letter

Dear Guruprasad Tukaram Shinde,

We are pleased to offer you the position of AI Engineer at QuizCred.

Congratulations on being selected for this opportunity. We believe your enthusiasm, communication skills, and leadership potential make you an excellent fit for this role. We are excited to welcome you to our growing student community.

Role Overview

As an AI Engineer, you will contribute to developing intelligent systems, machine learning models, and AI-powered features for QuizCred

Key Responsibilities

- Work on machine learning models
- Analyze and process datasets
- Assist in AI feature development
- Improve prediction accuracy and automation
- Research new AI technologies

Duration:

This is a 6-month program commencing from May 20, 2026.

Perks & Benefits:

- Certificate of Completion
- Letter of Recommendation based on performance
- Opportunity to develop leadership and communication skills
- Networking opportunities with a fast-growing startup
- Real-world experience in community building and management

We are confident that your contribution will create a meaningful impact, and we look forward to having you as a part of QuizCred.

We wish you a successful and rewarding journey ahead with us.

Sincerely,
Vishal Yadav
Founder & CEO
